

KASSENA TABLE

Design by Noé Duchaufour-Lawrance

LARGEUR / WIDTH	96 cm/ 37,8in
PROFONDEUR / DEPTH	56 cm/22 in
HAUTEUR / HEIGHT	35 cm/ 13,8 in

Each piece is handmade from recycled metals in Burkina Faso and finished in France. Bronze is a living material and oxidizes with age and environment which makes its beauty. Variations, Stains and Imperfections in the texture finishes are part of the artisanal process MAISON INTÈGRE is vividly supporting.
